

PATHWAYS ABILITIES SOCIETY

POLICY: COVID 19 PANDEMIC PREVENTION AT SERVICE SITES

Applies to: All Personnel, Volunteers, Persons Served, Families, Advocates and Caregivers

POLICY

Individuals receiving non-residential services are not permitted to attend services if they are sick or have COVID 19 symptoms.

Staff are not permitted to work if they are sick or have COVID 19 symptoms.

Volunteers are not permitted to volunteer if they are sick or have COVID 19 symptoms.

Reinforcing and applying social distancing and universal precautions is paramount to preventing the spread of diseases and directs service provision.

Everyone who is able to, must wear a mask. One reusable mask is provided to each person receiving services and staff. People enter sites maintaining social distance practices. A limited number of people enter a building at the same time.

Staff and individuals entering service sites must have their temperatures taken and immediately wash their hands. Anyone with an above normal temperature is segregated and must go home.

Hands must be washed throughout the day especially before and after eating, using the bathroom and before and after supporting someone with personal care.

Surfaces are continually sanitized daily.

All interior doors that are able to remain open, remain open.

Unnecessary visitors are not permitted to enter the building.

Food and beverages will not be provided. Individuals and staff must bring their own drinks. Food containers will not be rinsed prior to being sent home.

Staff and individuals are strongly encouraged to bring their own hand sanitizer.

Group support is limited to six people and one to two staff.

Activities and community participation will be limited to activities that minimize social and physical contact.

This policy and the procedure will be reviewed every three months, with the intent to modify to the current guidelines identified by the federal and provincial governments and potentially eliminate.
