

COVID 19 Update

We hope you are continuing to stay healthy and safe! It is a relief some services are re-opening with many new protective guidelines. We are providing services however it continues to be very quiet.

If you are planning to return to services, we require as much notice as possible to return **however minimally 1 week's notice**. Please do not come to a service site without first checking with the supervisor. To ensure the safety of all, we may have to limit the number of people returning on any given day to ensure the COVID 19 Pandemic Prevention at Service Sites policy and procedure works and keeps everyone as safe as possible. Please go to our website and ensure you read and review our COVID 19 in the Service Site policy and procedure. If you cannot access the internet, contact the supervisor and they will print and mail you a copy.

Services have changed and will continue to change creating what will be the new service "normal". Services will be very different. Please prepare now for retuning. There are new requirements and rules when attending:

- Wearing a mask is a requirement, understanding that for some this may not be possible. Please contact the area supervisor directly if you or the person you are supporting is unable to wear a mask to plan how they will be safe and how we can make sure other people stay safe as well.
 - We will issue each person one cloth mask. If a person does not come with their mask, the person's caregiver or family will be contacted and required to bring it.
 - Social distancing will be practiced and "imposed". There will be no hugging, handshakes, fist pumps, etc. and physical contact of any kind will be limited to what is necessary however completed with the utmost respect.
 - Temperatures will be checked when entering the building. If an above normal temperature is detected (above 38°C or 100.4°F), the person goes home.
 - Hands must be washed immediately after entering the building and through-out the day.
 - We will not be providing any food or beverage including coffee and water, etc. People must bring their own food, water and beverages. If people do not arrive with a lunch that has water or beverages, the person's family or caregiver will be contacted and required to bring.
 - If we identify or are concerned that a person attending is not well, they will be required to go home and may not be able to return until the pandemic is over.
 - Visitors can not come into the building.
 - People are encouraged to bring their own small bottle of hand sanitizer.
- If you fit into one of the following, until the COVID-19 crisis is over, you still cannot attend our services:
- You are sick, especially if you have a fever.
 - You are medically fragile.
 - You have a compromised (bad) immune system.
 - You have respiratory (problems with you lungs) disorders.

The June 15, 2020 in-service has been postponed. We are still not sure if camp will take place this year. We will let you know as soon as possible. Take care and be safe, thank you.

Operating hours for Pathways 123 Franklyn Road location

Just a reminder the Activity Service operates from **8:30 am to 3:30 pm**. The earliest staff start is 8:15 am. For health and safety reasons, we cannot let people into the building earlier because there is no support or supervision. With the weather getting colder, it is important not to come early and have to wait outside.
Thank you!

For the warm weather

Please, ensure you bring a water bottle, sunscreen, hat and dress appropriately. Please label your items with your name or initials.
