

PATHWAYS ABILITIES SOCIETY

PROCEDURE: STRATEGIC PLANNING

Applies to: Board of Directors and All Personnel

Effective/Revision Date:

July 21, 2008

September 12, 2011

December 21, 2012

1. Upon completion of the Pathways Abilities Society Annual General Meeting the executive director in consultation with the board of directors coordinates a Strategic Planning session or a review of the current strategic plan. Minimally they coordinate formal planning every three to five years.
2. The executive director documents the plan results and distributes copies to all relevant individuals or parties.
3. The board of directors monitors the plan's implementation regularly and documents in monthly board meeting minutes or directly on the plan. The executive director modifies, updates and redistributes the plan as required.
