Travel Club Update:

Pathways Abilities Society will not be organizing any new Travel Club trips at this time.

We understand that the Travel Club has provided meaningful opportunities for individuals to travel, relax, and experience activities outside their community, and we recognize the disappointment this may cause.

At this time, there are no plans to schedule upcoming trips, and we encourage individuals and families not to plan around future Travel Club activities.

We appreciate everyone's understanding and support, and we will share updates if there are any changes in the future.
