Recruiting Home Share Providers

Pathways Abilities Society invites compassionate individuals to join our enriching Home Share Program, a unique opportunity to make a meaningful difference in the life of a person with diverse abilities. Opening your home and your heart can offer an individual a nurturing and inclusive environment.

Pathways is offering a monetary incentive for anyone who refers a successful home share provider applicant. You will receive a \$50 gift card upon the reference completing their home share provider application, and you will receive a \$250 gift card if the person you refer successfully provides home share with Pathways for three months.

All prospective home share providers will undergo a thorough approval process following the standards set by Community Living BC (CLBC), ensuring a safe and supportive match for both the individual and the provider. Home share providers are paid monthly and receive anywhere between \$2,100 and \$5,000 per month, depending on the level of support that the individual requires. Home share providers are required to provide a safe and secure home environment that meets the individual's needs and enriches their life.

If you know of someone who would make an excellent home share provider and has the space in their home and heart, please have them contact Laryssa Rock at 250-763-4837 Ext. 129 or hscm1@pathwayskelowna.ca. We are happy to answer any questions about home sharing and provide you with the materials to start this exciting journey!
