

PATHWAYS ABILITIES SOCIETY

PROCEDURE: IMMUNIZATION/ INFLUENZA/ VACCINES

Applies to: Employees, Volunteers and Individual's Attending or Receiving Services

Original Effective Date: May 16, 2016

Effective Date: July 27, 2021

Replaces Procedure Dated: May 16, 2016

Immunization

1. Prior to the beginning of Flu season, employees working or volunteer volunteering in the homes obtain a flu vaccination.
2. The employee or volunteer provides the supervisor with a copy of the immunization.
3. The supervisor gives the copy to the executive director or their designate to put in their file and update their ShareVision Information.

Vaccinations

1. The employee, volunteer or person receiving services provides the supervisor with a copy of the vaccination card/document.
2. The supervisor gives the copy to the executive director or their designate to put in their file and update their ShareVision Information.

Employees, Volunteers and Persons Receiving Services Choosing not to be Immunized or Vaccinated

1. Obtain a mask from the supervisor.
2. Prior to entering a Pathway's site, put the mask on and wear it for the entire time.
