

DROP OFF AND PICK UP

HandyDART uses Pathways as a transfer station from 8:00 am to 8:45 am and 3:00 pm to 3:30 pm each service day. When you are dropping off or picking up, please do not park on the street in front of parking lot, along the fence or in front of dumpster. We have two 15 minute “time limited” spots close to the main doors. If you can drop off between 8:45 am and 9:00 am and pick up before 2:45 pm it will help with vehicle congestion. Thank you!

Be Prepared

Every year, there is the potential to be impacted by emergencies and evacuations due to wildfires, floods and other natural events. Proactive and coordinated emergency planning can help reduce uncertainty and anxiety during a disaster. Knowing what to do and where to go can lessen the fear of the unknown and enhance the safety of all.

Please consider being prepared in the case of an evacuation. Consider putting a To Go kit containing the following (Government of BC website) and for more information go to [Emergency Management BC](https://www2.gov.bc.ca/gov/content/safety/emergency-preparedness-response-recovery/emergency-preparedness-response-recovery) (Emergency management in B.C. - Province of British Columbia (gov.bc.ca): the province's lead coordinating agency for all emergency management activities.

Emergency kit supplies

Put your supplies in one or two containers, such as plastic bins or duffel bags. Store them in an area of your home that's easy to get to, such as a hall closet, spare room or garage.

- Non-perishable food: three-day to one-week supply, with a manual can opener
- Water: four litres per person, per day for drinking and sanitation
- Phone charger, battery bank or inverter
- Battery-powered or hand-crank radio
- Battery-powered or hand-crank flashlight
- Extra batteries
- First-aid kit and medications
- Personal toiletries and items, such as an extra pair of glasses or contact lenses
- Copy of your emergency plan, copies of important documents, such as insurance papers
- Cash in small bills
- Garbage bags and moist towelettes for personal sanitation
- Seasonal clothing, sturdy footwear and emergency blanket

Other Emergency Resources:

[Emergency Info BC](https://www2.gov.bc.ca/gov/content/safety/emergency-preparedness-response-recovery/emergency-preparedness-response-recovery): is a helpful resource during partial and full-scale provincial emergencies.
[BC Wildfire Services website](https://www2.gov.bc.ca/gov/content/safety/emergency-preparedness-response-recovery/emergency-preparedness-response-recovery): Provides information on current wildfire activity in B.C., including details about specific wildfires, fire response efforts, and Fire Danger Ratings across the province.

please add your local government/municipality and regional district to your list of online resources. They are often the first to provide specific details on an emergency in your area
