Update on wearing masks

Everyone is probably aware of the changes announced regarding mask mandates and vaccination passports. Pathways will continue to operate by wearing masks

indoors while services are operational and follow current plans until further notice. Any visitors to our service sites, are required to wear a mask and sanitize your hands. Thanks you for everyone's patience and understanding as we navigate through these changes.

We hope you are continuing to stay healthy and safe! Pathways has replaced the COVID 19 in the Service Site policy and procedure with a [Pandemic Policy and Procedure](#).

Please go to our website and **ensure** you read and review our new policy and procedure. If you cannot access the internet, please contact a supervisor, and they will print and mail you a copy.

We continue to provide services while ensuring we are providing the safest service environment possible. **Pathways continues to adhere to all provincial and federal regulations AND recommendations.**

*Wearing a mask continues to be a requirement, understanding that may not be possible for some people. Please contact the area supervisor directly if you or the person you are supporting is unable to wear

a mask, to plan how they will be safe and how we can make sure other people stay safe.

- * Social distancing will continue to be practiced. There is no hugging, handshakes, fist pumps, etc. Physical contact of any kind will be limited to what is necessary, and completed with the utmost respect.
- * If we identify or are concerned that a person attending is not well, they will be required to go home and may not be able to return until the pandemic is over.
- * If you are attending services at 123 Franklyn Road, to enable people to enter the building safely, individuals attending who travel independently or with a caregiver cannot attend or be dropped off before 9:00 am.

* If you have not already, please consider getting vaccinated!

Just a reminder, if you fit into one of the following, until the COVID-19 crisis is over, you still cannot attend our services. We are sorry however, we are trying to protect you and the other people we serve.

- You are sick, especially if you have a fever.
- You are medically fragile.
- You have a compromised (bad) immune system.
- You have respiratory disorders or problems with your lungs.

HandyDART uses Pathways as a transfer station from 8:00 am-8:45 am and 3:00 pm - 3:30 pm each service day. When you are dropping off or picking up, please do not park on the street in front of parking lot, along the fence or in front of dumpster.
