POLICY

Tenants may apply for a parking space if they have a car. Spots will be assigned on a first come first served basis. Parking spots may only be used by their assigned tenant. Unregistered or illegally parked vehicles will be towed at the owner's sole cost.

Tenants may apply for an additional spot for a second car for a monthly charge set in the annual budget. Second parking spots will be assigned on a first come, first served basis, subject to availability.

Parking stalls are not to be used for storage, repairs and maintenance or washing vehicles.

Tenants are responsible for cleaning up any stains their vehicle makes to their parking stall. Cardboard should be placed under vehicles with leaks and replaced frequently.

Tenants who continue to park in visitor parking stalls after being given 2 warnings will be towed at the owner's sole cost.

All vehicles parked on the property must be driveable and insured.
