

PATHWAYS ABILITIES SOCIETY

PROCEDURE: PETS IN HOMES

Applies to: All Homes Personnel

Effective/Revision Date:

June 27, 2005

September 12, 2011

December 21, 2012

1. Request for a pet is made to the supervisor.
2. If the supervisor, in consultation with the home members determines that a pet would be beneficial as per the above criteria, the supervisor will contact the executive director and informs him/her that the home or specific person will be getting a pet.
3. Staff will assist home members to care and nurture their pet.
